

In June, July and August you can

TRAVEL BY PUBLIC TRANSPORT FOR 9 EUROS PER MONTH

anywhere in Germany

In **June, July and August 2022** you can buy a **ticket** for 9 €. You can use it for travelling with all regular busses, streetcars/trams, subways and city railways as well as in regional transport (city trains, RB and RE as a second-class passenger) throughout Germany. It is **not valid for Intercity trains, EC- or ICE-trains**.

You can buy the ticket from the transport company in your city. You can use **customer centers** or **vending machines** of the transport companies in your city. There will be an **app** named **"9-Euro-Ticket"**.

The ticket is always valid from the **1st to 30th/31st of a month**. Even if you buy it on the 12th of June it is only valid till the 30th June. Therefore you should best **buy it at the beginning of the month**.

Children below 6 years travel for free. **For children from six years you can buy the 9-Euro-Ticket.**

The carriage of dogs, other pets and bikes is **regulated differently** in Germany. **Enquire** about this **at the transport company**.

It doesn't matter if you have a place of residence in Germany and in which city you buy the ticket.

It is a personal ticket and may not be transferred to another person. **The name has to be on the ticket.**

Here you can find contact points in your city:
